* Super Value Auto is not a lender nor a financial adviser. Any amounts displayed should not be seen as an offer of finance or taken as financial advice. The interest rate, fees and loan term used in this calculation may not actually represent those available from lenders. Actual interest rates, fees and loan terms will vary per lender and are typically based on an assessment of your credit risk and responsible lending criteria. Any repayment amounts displayed are indicative only and have been calculated using several other indicative inputs. The term of the loan used in this calculation is 36 month. Exact terms available vary per lender although options typically include 6, 12, 18, 24, 36, 48 and 60 months. This calculation also includes two typical mandatory fees charged by lenders. These are an account admin fee of \$1.80 per month (other payment frequencies may be available) and other non-mandatory fees and charges may also apply. The total amount, i.e. included in the loan amount. These fees can vary per lender although options typically and other non-mandatory fees and charges may also apply. The total amount of \$1.80 per month (other payment frequencies may be available) and other non-mandatory fees and charges may also apply. The total amount of a set of \$495.00. Typically, this fee can be paid upfront or, as in this calculated by multiplying 156 weekly repayments (based on a 36 month term) by the weekly repayment amount of \$70.65 which equals \$11,021.63. This calculator does not consider any of your own personal circumstances and we strongly suggest you seek budgeting advice prior to committing to any loan contract. Responsible lending criteria and lender terms and conditions will likely apply to any finalised loan contract. Person's descrity and/or vehicle insurance may also be required before proceeding.
